

## ERS SUMMER SCHOOL 2017

ERS PROVIDES TRAINING OPPORTUNITIES FOR RESPIRATORY PROFESSIONALS  
AND SUPPORTS CONTINUING MEDICAL EDUCATION

# ADULT RESPIRATORY MEDICINE

28 JUNE - 1 JULY 2017

BARCELONA, SPAIN

This Summer School is intended to provide a comprehensive overview of each of the major fields of respiratory medicine based on the Adult HERMES syllabus. This course will help participants prepare for the HERMES examination in adult respiratory medicine. The programme is designed to challenge participants and provide a learning framework including interactive sessions and MCQ discussion sessions.
